

Solidarity Serving Request Form

*The Midnight Kitchen is a non-profit, volunteer-run collective dedicated to providing affordable, healthy food to as many people as possible. We aim to **empower** individuals and communities by providing a **working alternative** to current market-based systems of food collection and distribution. We oppose privatization, corporatization and other processes that actively disempower people by obstructing their access to resources and independence. By **reclaiming control** over the distribution of food in our community we are acting in the pursuit of social and environmental **justice** and we will support others who share these goals.*

*We provide catering services for events in solidarity with other groups social or political organizations. If your group would like to request a solidarity catering, please fill out **the items that apply to your event**. This will let us know what you are expecting from Midnight Kitchen Collective, and give you an idea of what we are able to provide. Thanks!*

Solidarity Serving Requests must be delivered to the Midnight Kitchen **two weeks** prior to your event. This is to make sure the collective has enough time to come to a consensus regarding the serving.
